

DONATE YOUR CAN TABS HERE

Help the Shriners help kids!

Shriners Hospitals for Children in **Springfield** and **Boston** have been collecting pull-tabs or “pop-tops” from beverage cans for more than 16 years, recycling them, and putting the money toward programs that directly benefit children. Since its inception, about a half-million pounds of aluminum tabs have been collected and recycled.

Did you know: The tabs are the only pure aluminum part of the can, and the cans may still be returned for deposit even after the tabs are removed.

**Don't toss them away ...
Tear them off and help the kids!**
